THE HONOURABLE Dr. JUSTICE G.YETHIRAJULU

Writ Petition No.22832 of 2001

ORDER:

The conversion of the service connection from High Tension to Low Tension is a matter of discretion of the concerned authorities. The petitioner appears to have made a representation to the respondents. The grievance of the petitioner is that the respondents did not pass any orders on the said application. If the petitioner is so aggrieved for not converting his service connection for the last so many years, it is for him to make a fresh representation.

In view of the interim direction given by this Court to the respondent-authorities to pass appropriate orders according to law, the writ petition has become infructuous.

Accordingly, the writ petition is dismissed as having become infructuous. No costs.
